**A**utumn never intended to pose. She went with a girlfriend to a Tucson photography studio because the other girl wanted to have some boudoir shots taken as a present for her boyfriend. Autumn was invited into the studio and found copies of *XL* and *Voluptuous* on a table. "I was looking at them while my friend got ready," Autumn told us. "When the photographer said I'd be great for either of the magazines, I blushed. But the idea excited me, and by the time my friend was done, I was ready to pose."

## A U T U M N

There's not much to tell you about my sex life—nothing outrageous that's for sure. I don't have a steady boyfriend, so I'm not getting laid. I'm not into one night stands, I have to really know a guy before I'll sleep with him. I love sex! I have since my very first time; and I know that's kinda unusual. A friend of my older brother seduced me. He knew I was a virgin, so he took it slow and had me writhing and wet as hell before he slid inside me. He had great self-control. He did me for about 20 minutes before he came—and I joined him with my first fuck-orgasm."

## BARE FACTS

**Weight:** 148 lbs. **Measurements:** 40-32-40

**Occupation:** Student

I love having my nipples sucked. I can almost cum if a guy keeps it up for a few minutes. I feel the sensations starting to build up deep inside my pussy, just waiting to burst out. If he rubs my clit then I'll definitely climax, and I'll beg him to fuck me hard and fast...and I'll cum again and again."

# VOLUPTOUS XL: GEMMA FIELD

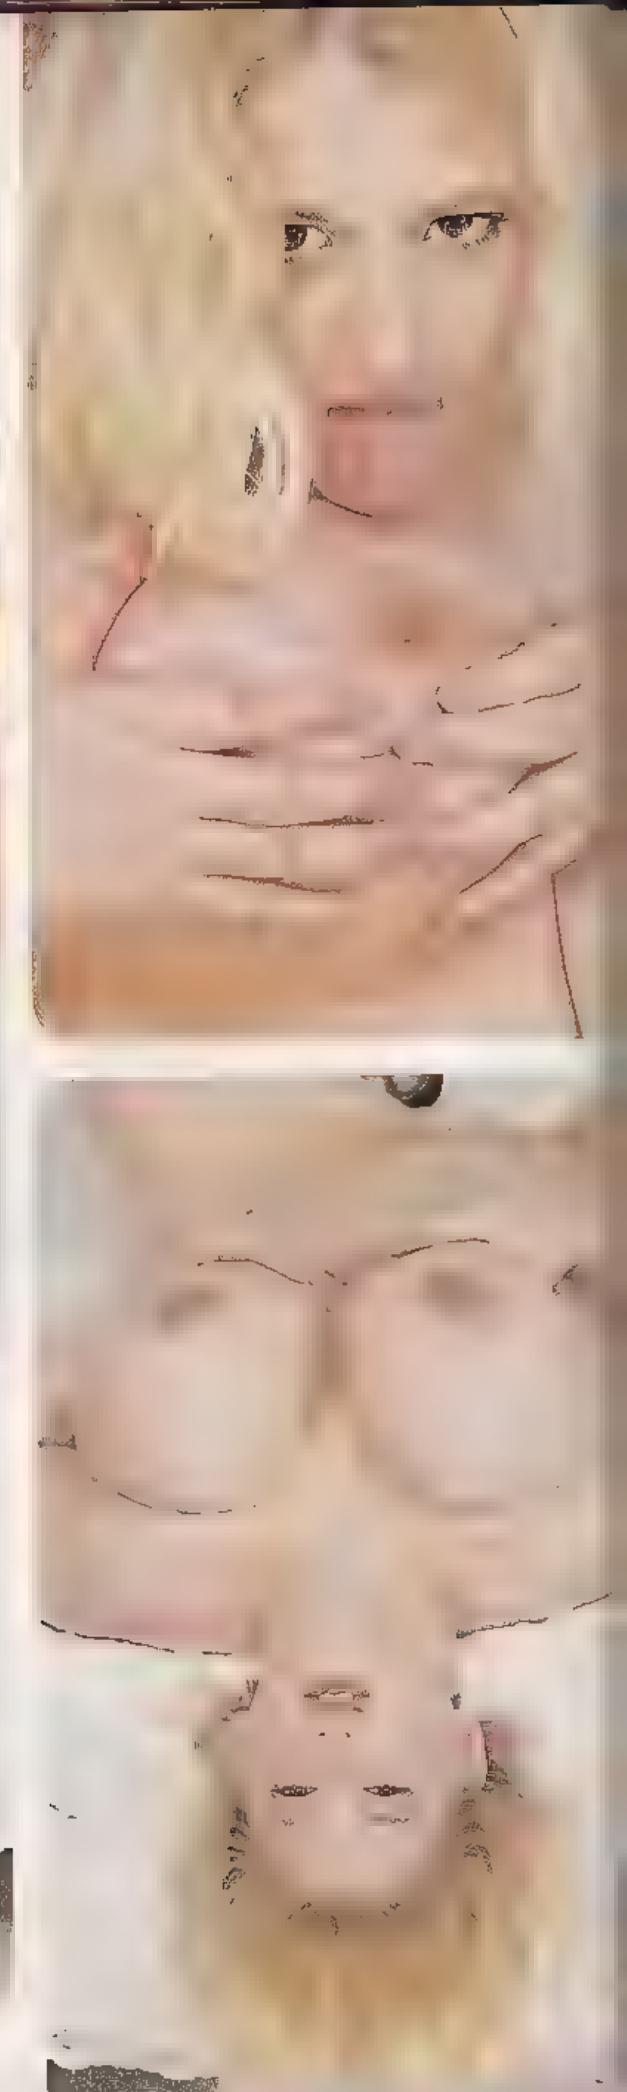

A FRESH-FACED NEWCUMMER WITH HUGE TRACTS OF LAND

hat we're talking about. And, when it comes to a wide expanse of sweater meat

Field's got 'em both, and then some. Making her magazine debut, the chunky

model picked for an afternoon of gettin' nekkid. Well, getting paid was a plus, too.

## BARE FACTS

Age 19 Birthday: April 14, 1982

Height 5'8" Weight: 158 lbs.

Measurements: 46-30-38 Bra Size: 40E

Lives Farnham, Surrey, UK

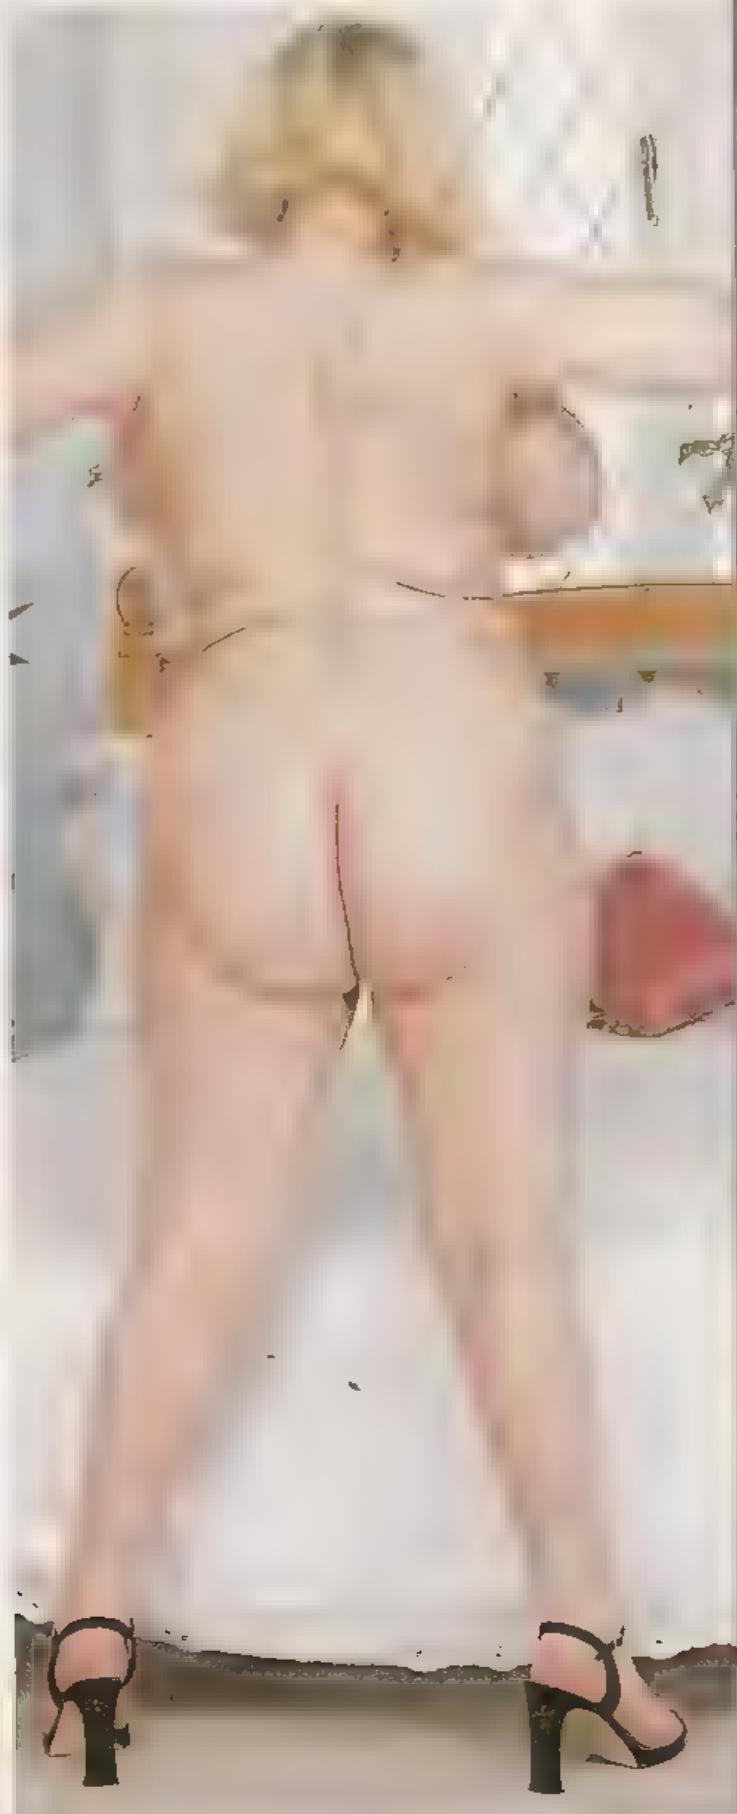

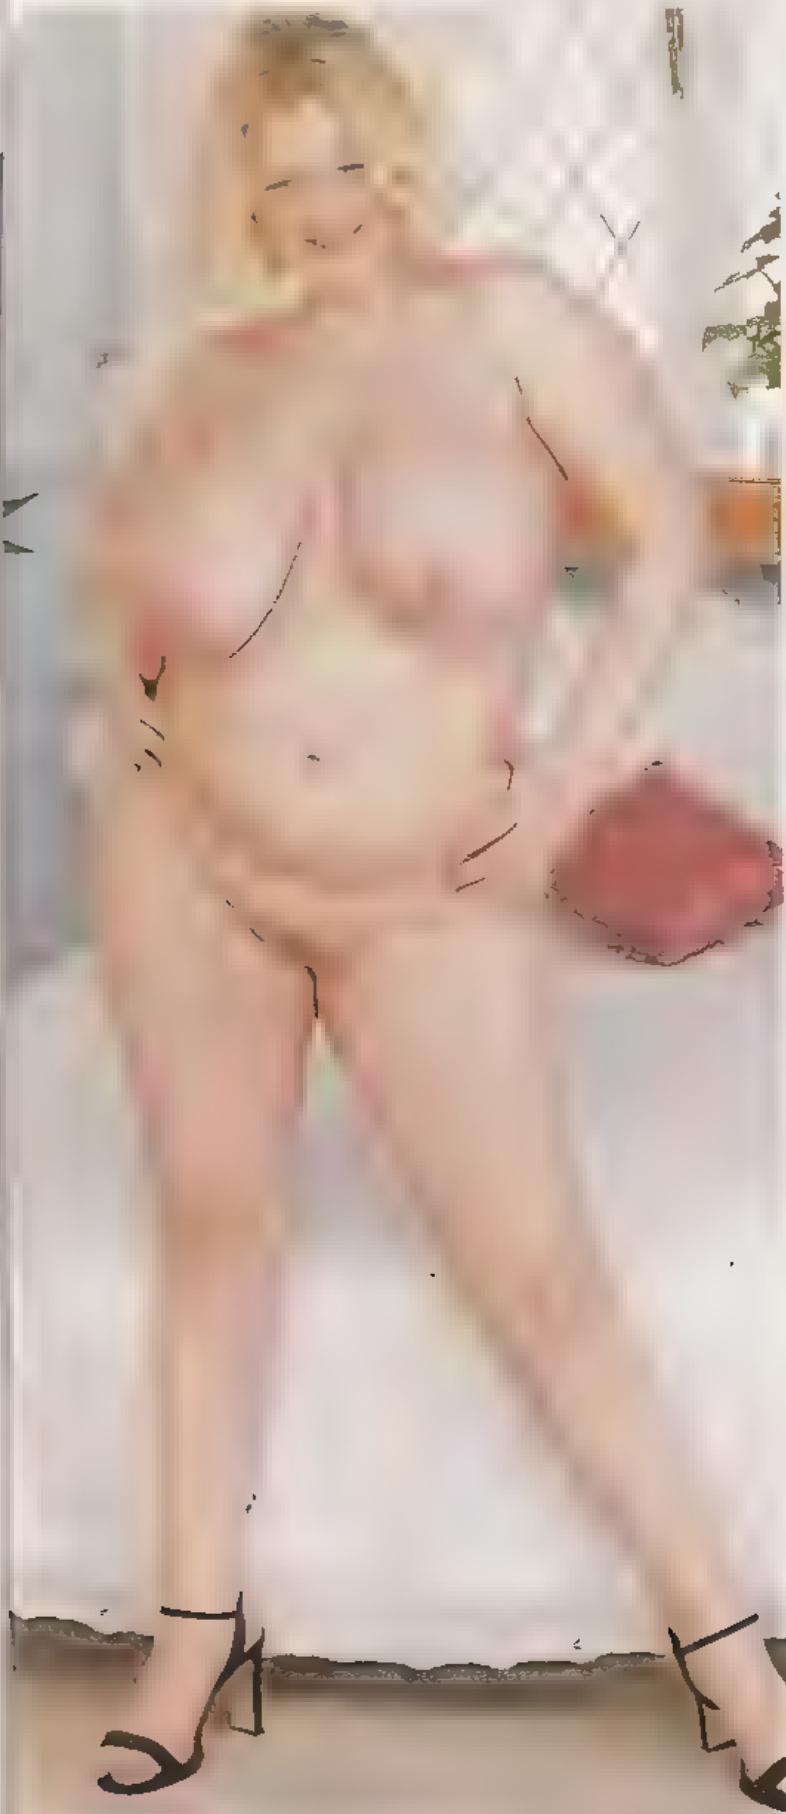

Occupation "I don't have a proper job, since I'm at university, studying for my degree. Maybe the next time I pose I'll be employed!"

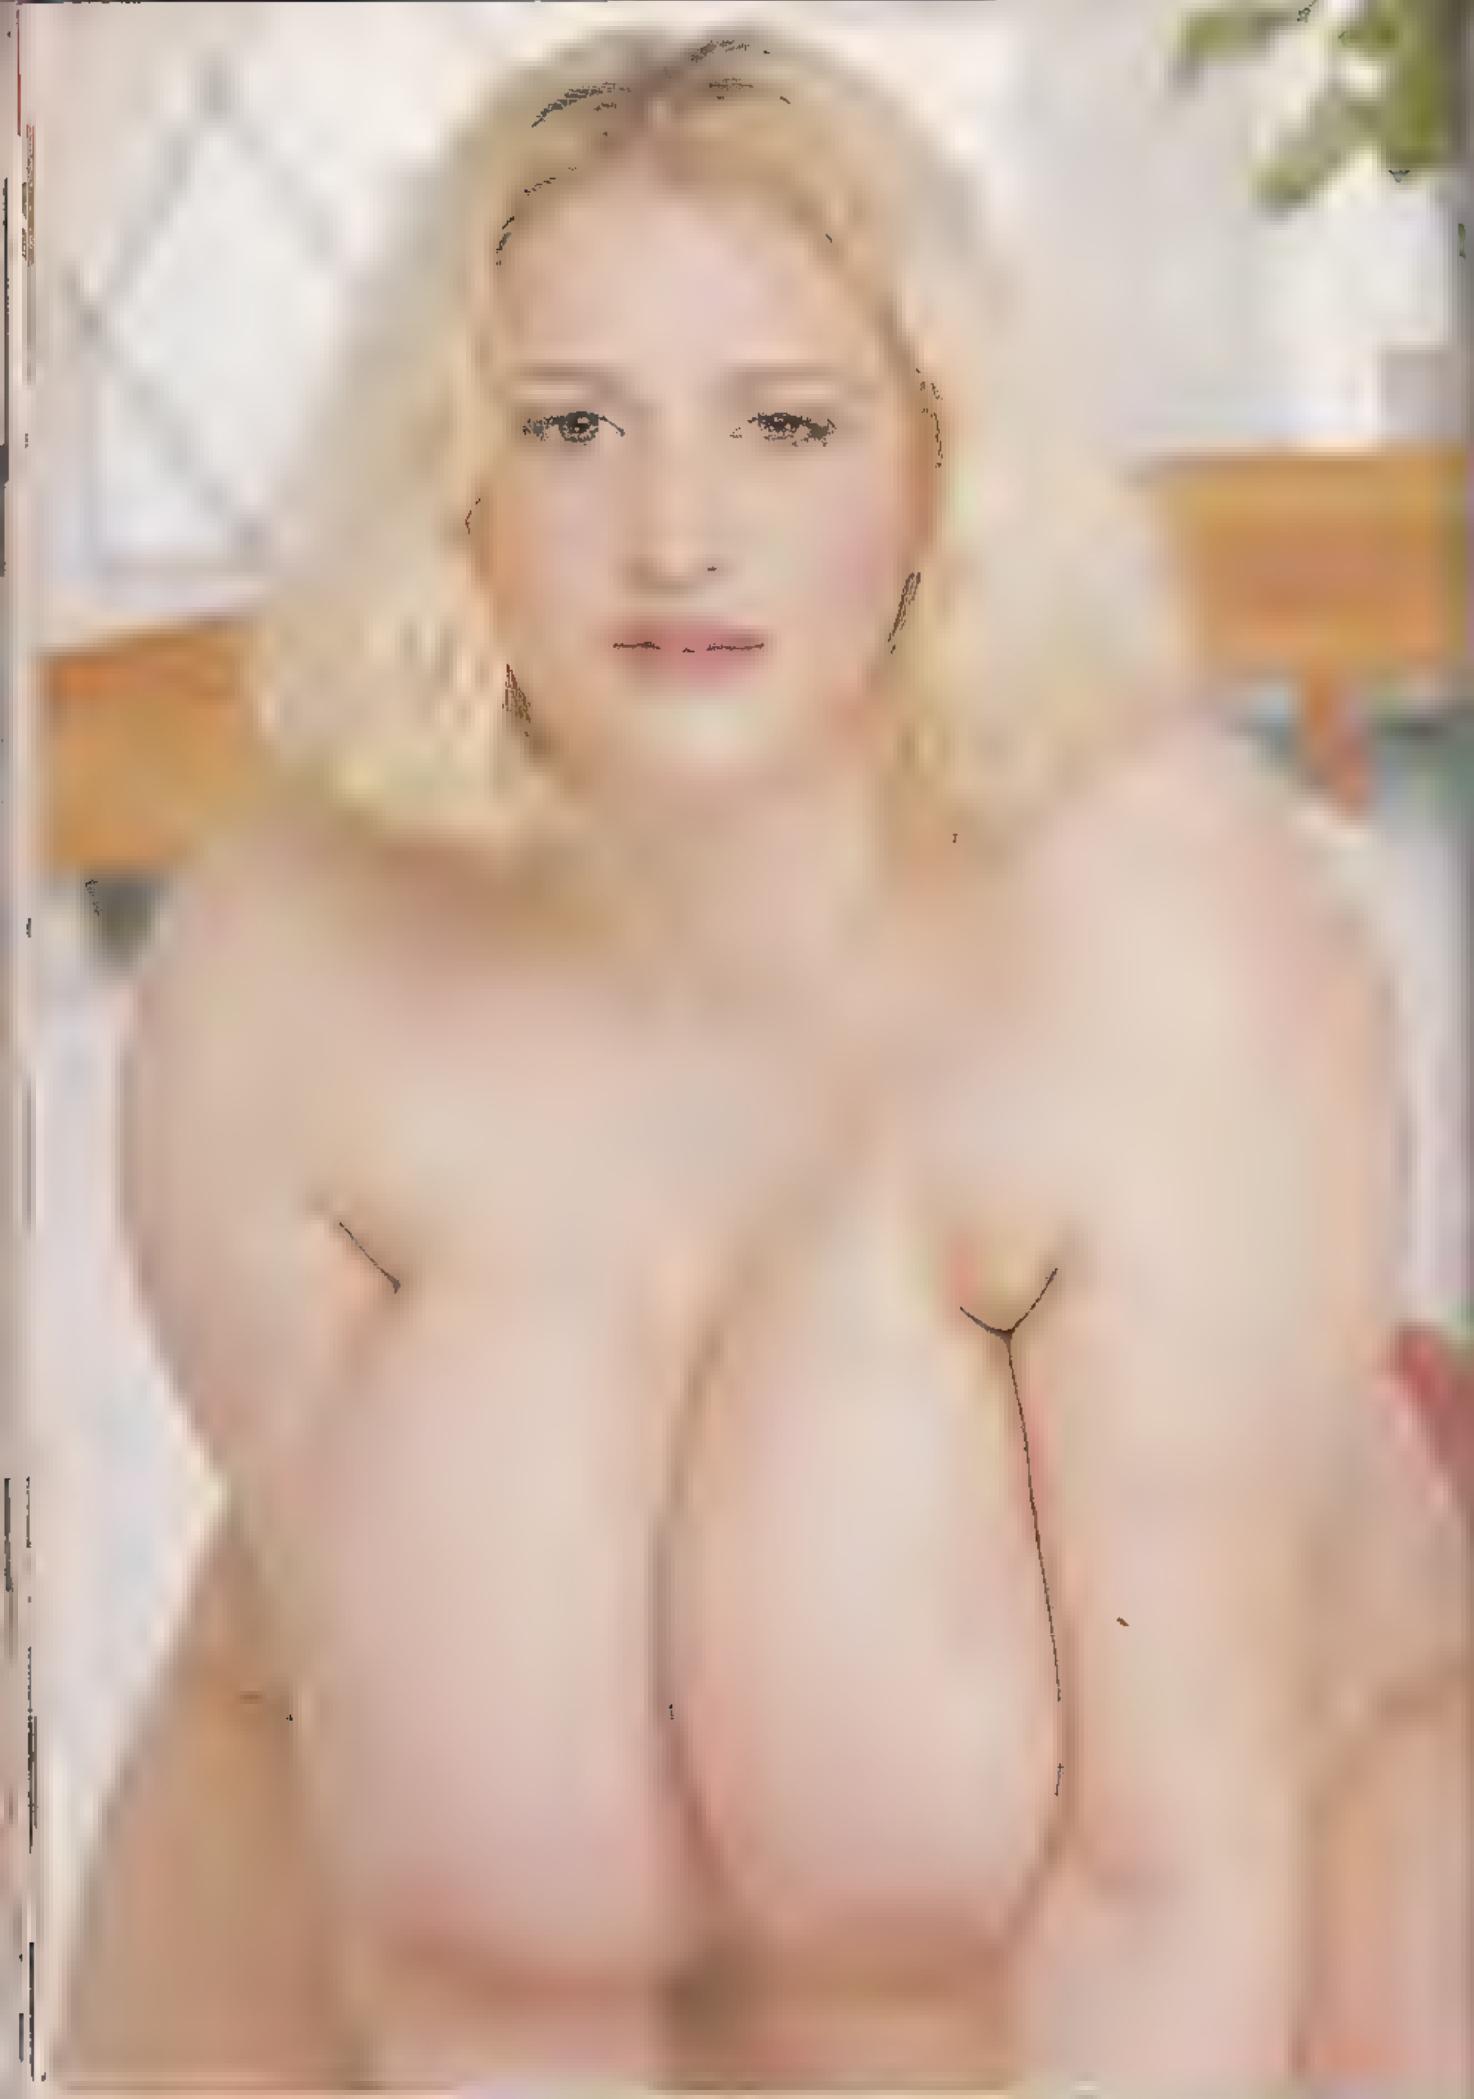

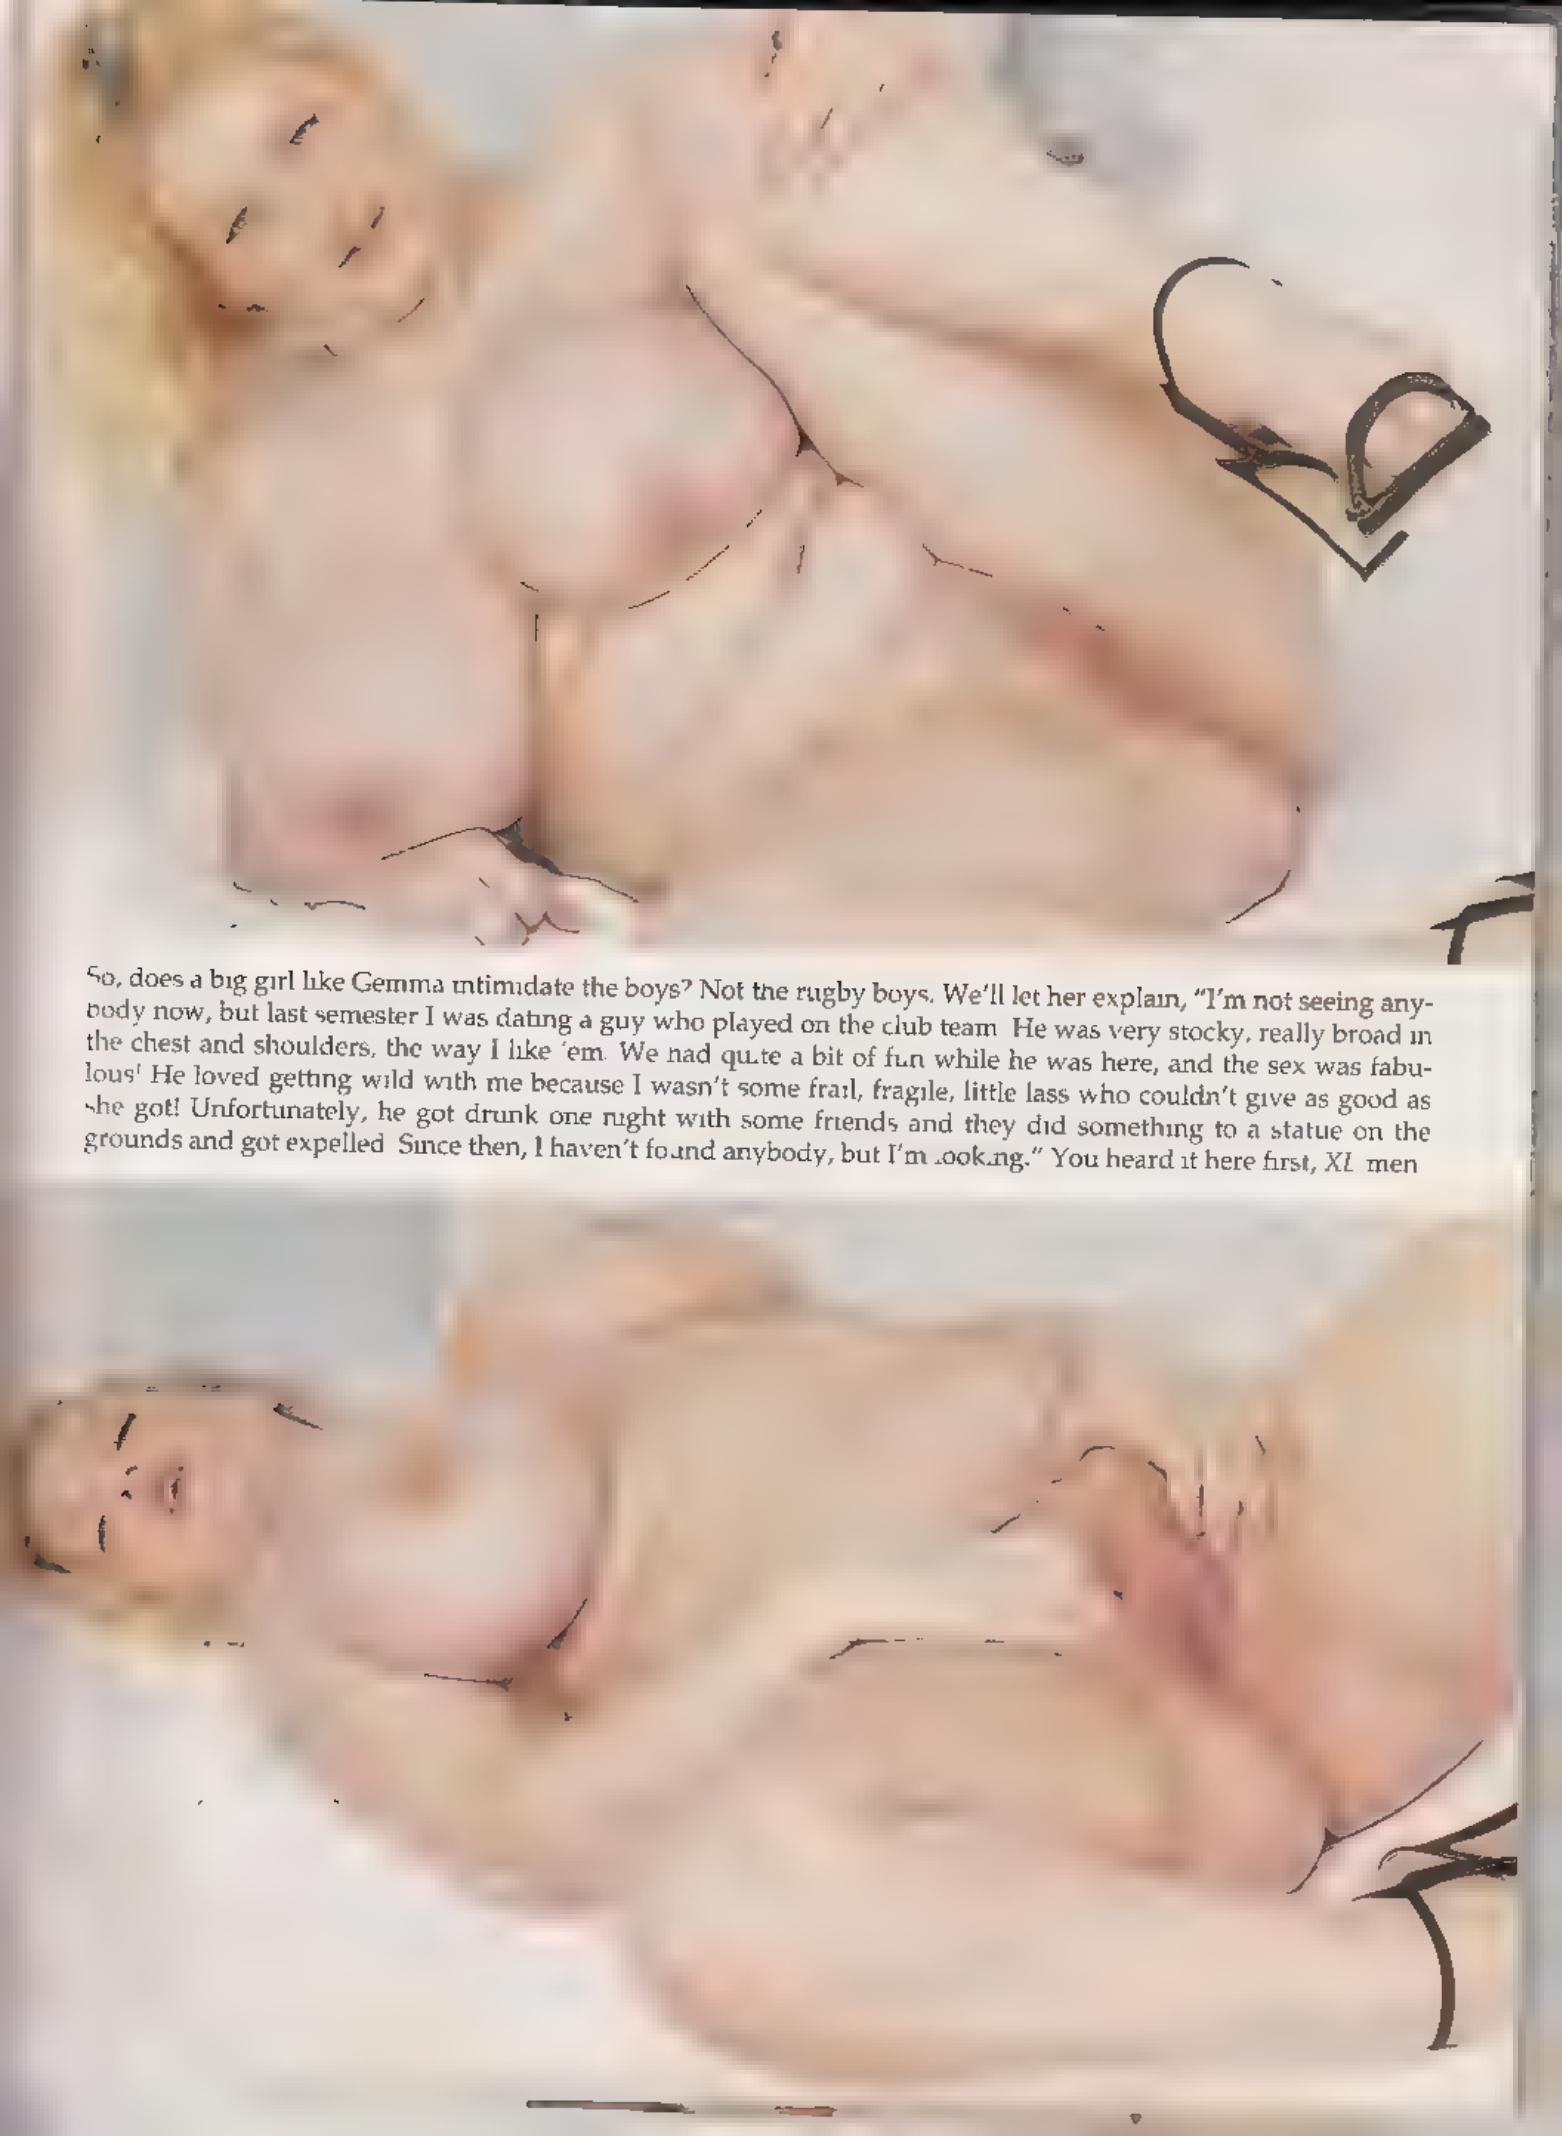

Now that the down-home girl has made it big posing for your favorite mag, what's Gemma's first order of business? Saying hello to her university mates, of course. "I want to say 'Hi!' to all my friends at the flat, can I do that?" Well, sure. Although we're used to shout-outs on the radio, why not here? Of course, we wanted to know a little bit about those flat-mates, including whether or not Gemma has any particular male friends she wanted to say a special 'Hello' to. Take note UK readers, Gemma is a single lass, although how long that'll last we can't say.

So, does a big girl like Gemma intimidate the boys? Not the rugby boys. We'll let her explain, "I'm not seeing anybody now, but last semester I was dating a guy who played on the club team. He was very stocky, really broad in the chest and shoulders, the way I like 'em. We had quite a bit of fun while he was here, and the sex was fabulous! He loved getting wild with me because I wasn't some frail, fragile, little lass who couldn't give as good as she got! Unfortunately, he got drunk one night with some friends and they did something to a statue on the grounds and got expelled. Since then, I haven't found anybody, but I'm looking." You heard it here first, XL men

## HOUSEWIFE OF THE MONTH: BOBBI **Denver, Colorado**

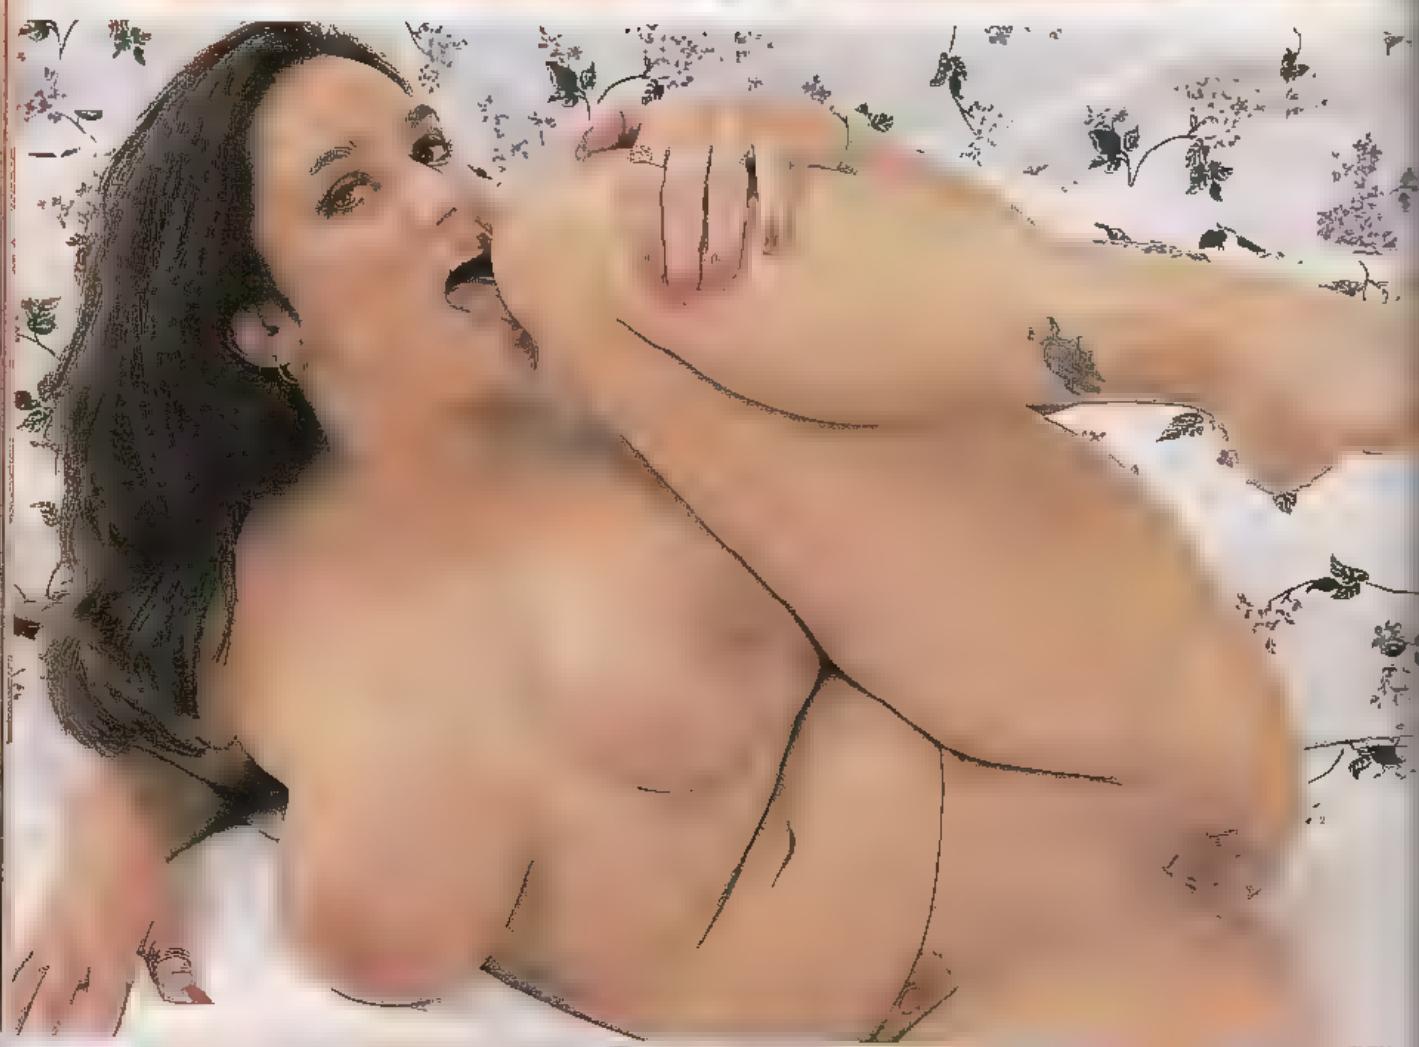

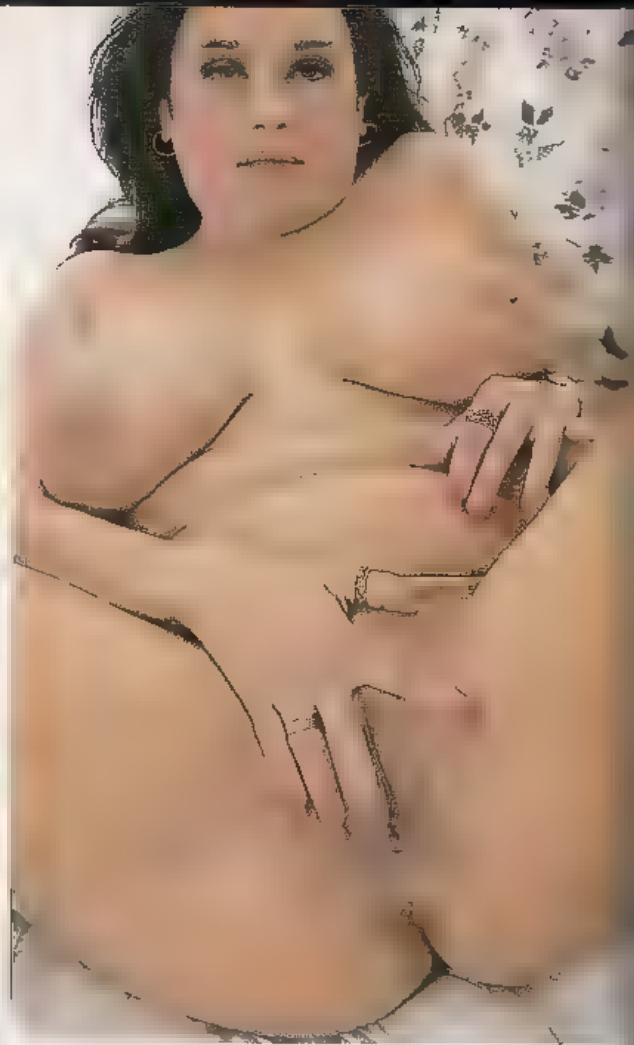

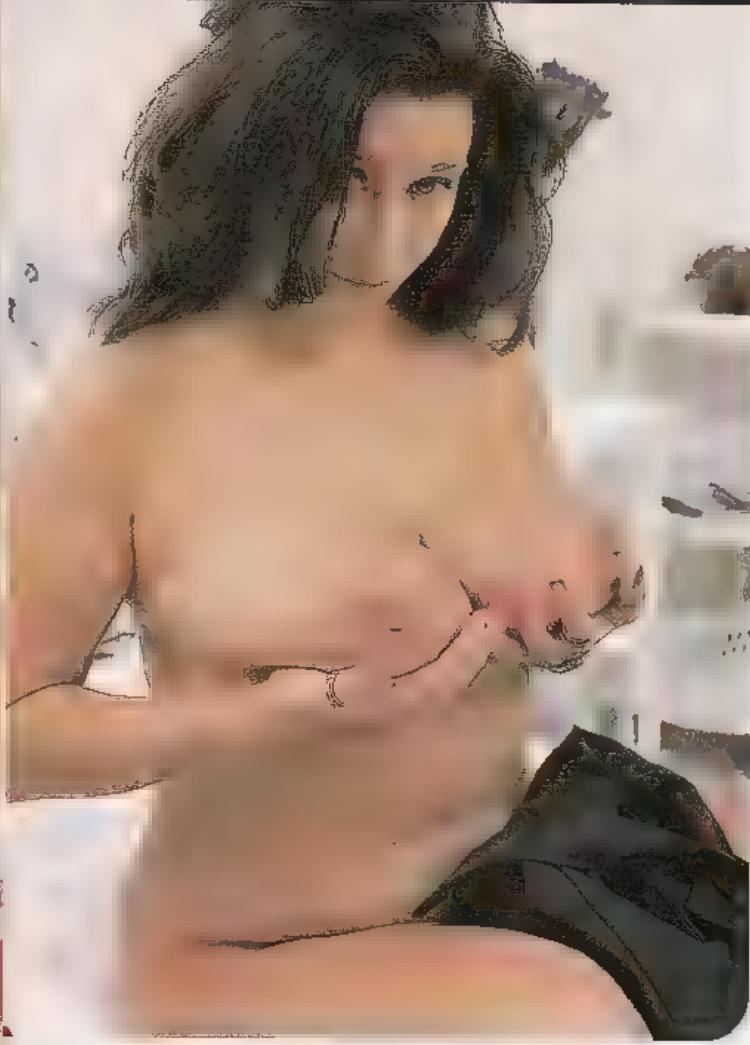

From the Rocky Mountains, here comes a lady with some slopes of her own. Bobbi's her name and she digs the Broncos, skiing (Copper Mountain), fly fishing and guys who drive Jeeps. She's a typical housewife, thus 29-year-old Colorado native, the kind we've all seen day in-day out. Only, we never quite see them like this, do we? Yeah, buddy, life's a beautiful thing, especially when that lady-next-door you've been admiring for years goes all the way.

Married for seven years, Bobbi's husband has never even read *Voluptuous*. until now. "He's not a magazine reader. I don't think he's ever bought a men's magazine or seen a porno tape in his life," explains Bobbi, who is posing just to see if she's good enough "You know how it is ..You get marned, content, complacent, but you always wonder.. 'Do I still have what it takes? Am I still attractive?' I just wanted to know-my husband, too." Stop wondering, Bobbi...If thousands of guys jacking off all over your pictures is any kind of answer, baby. you've still got it. big time!

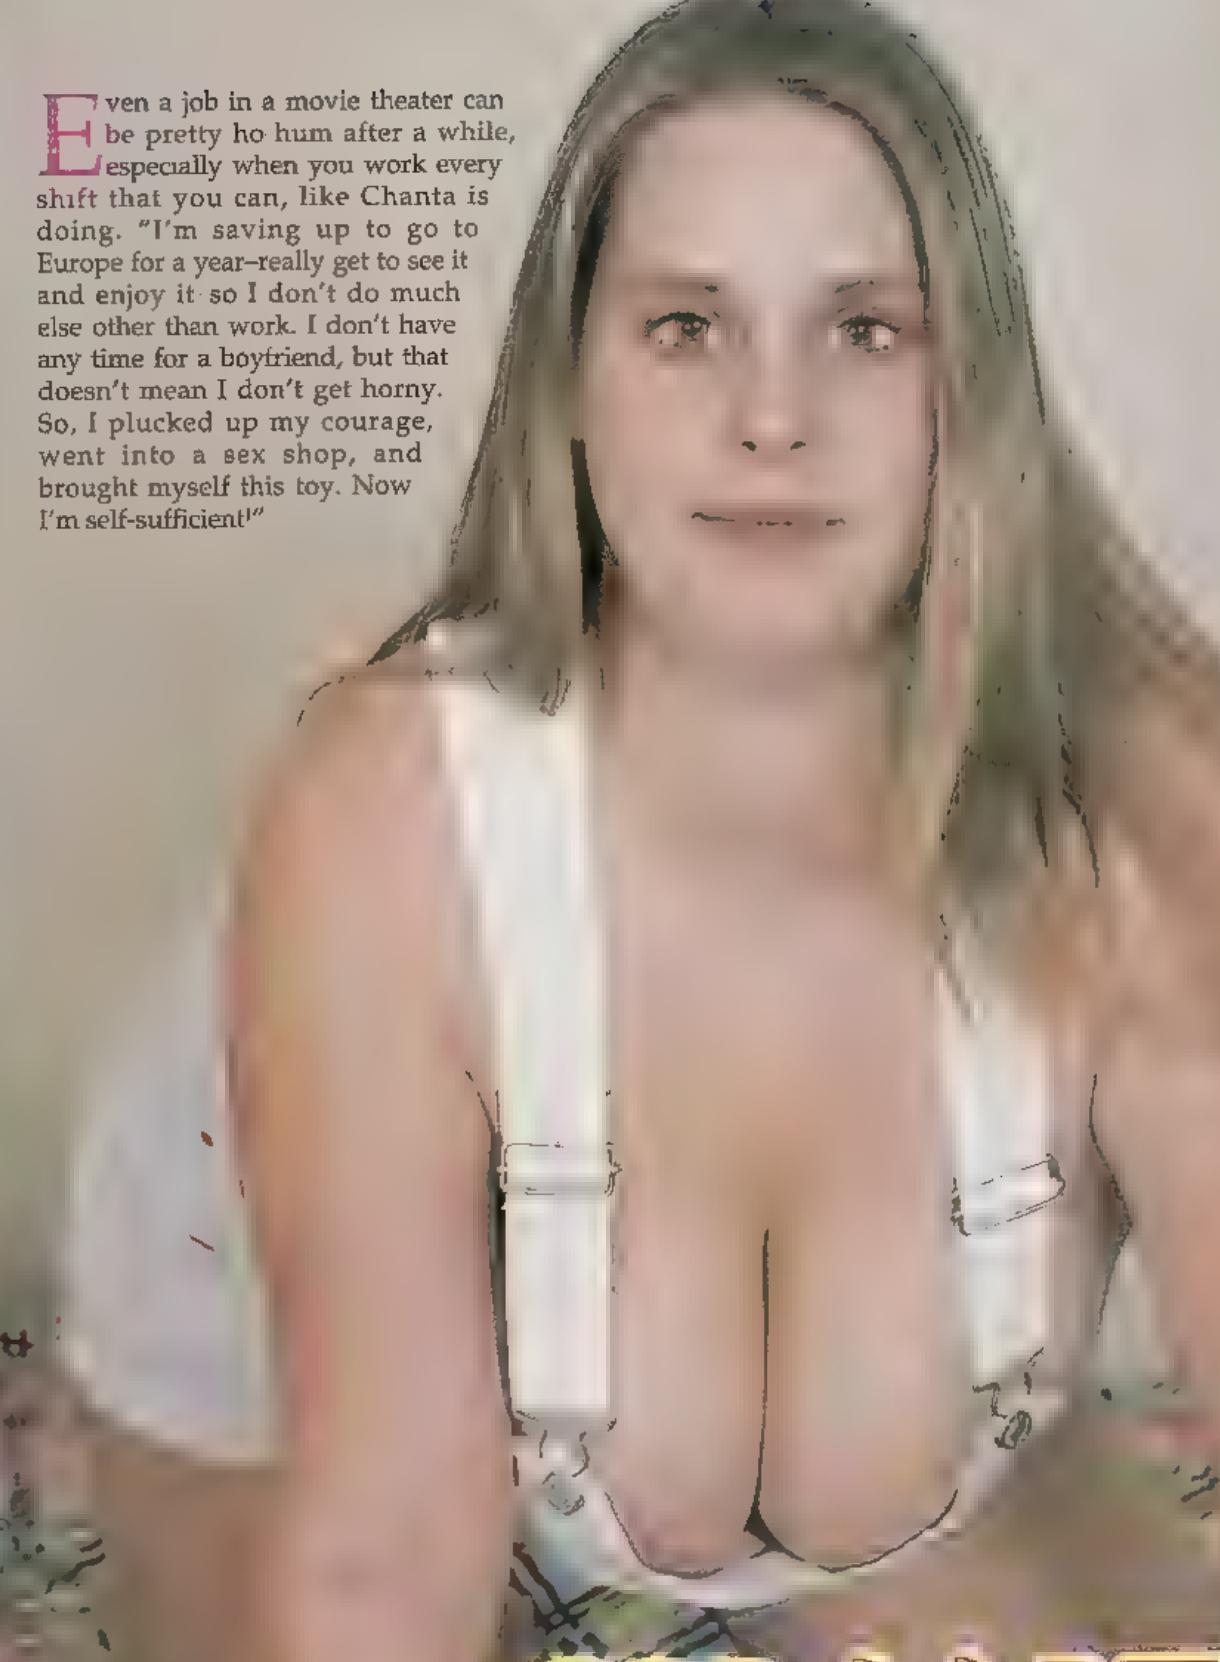

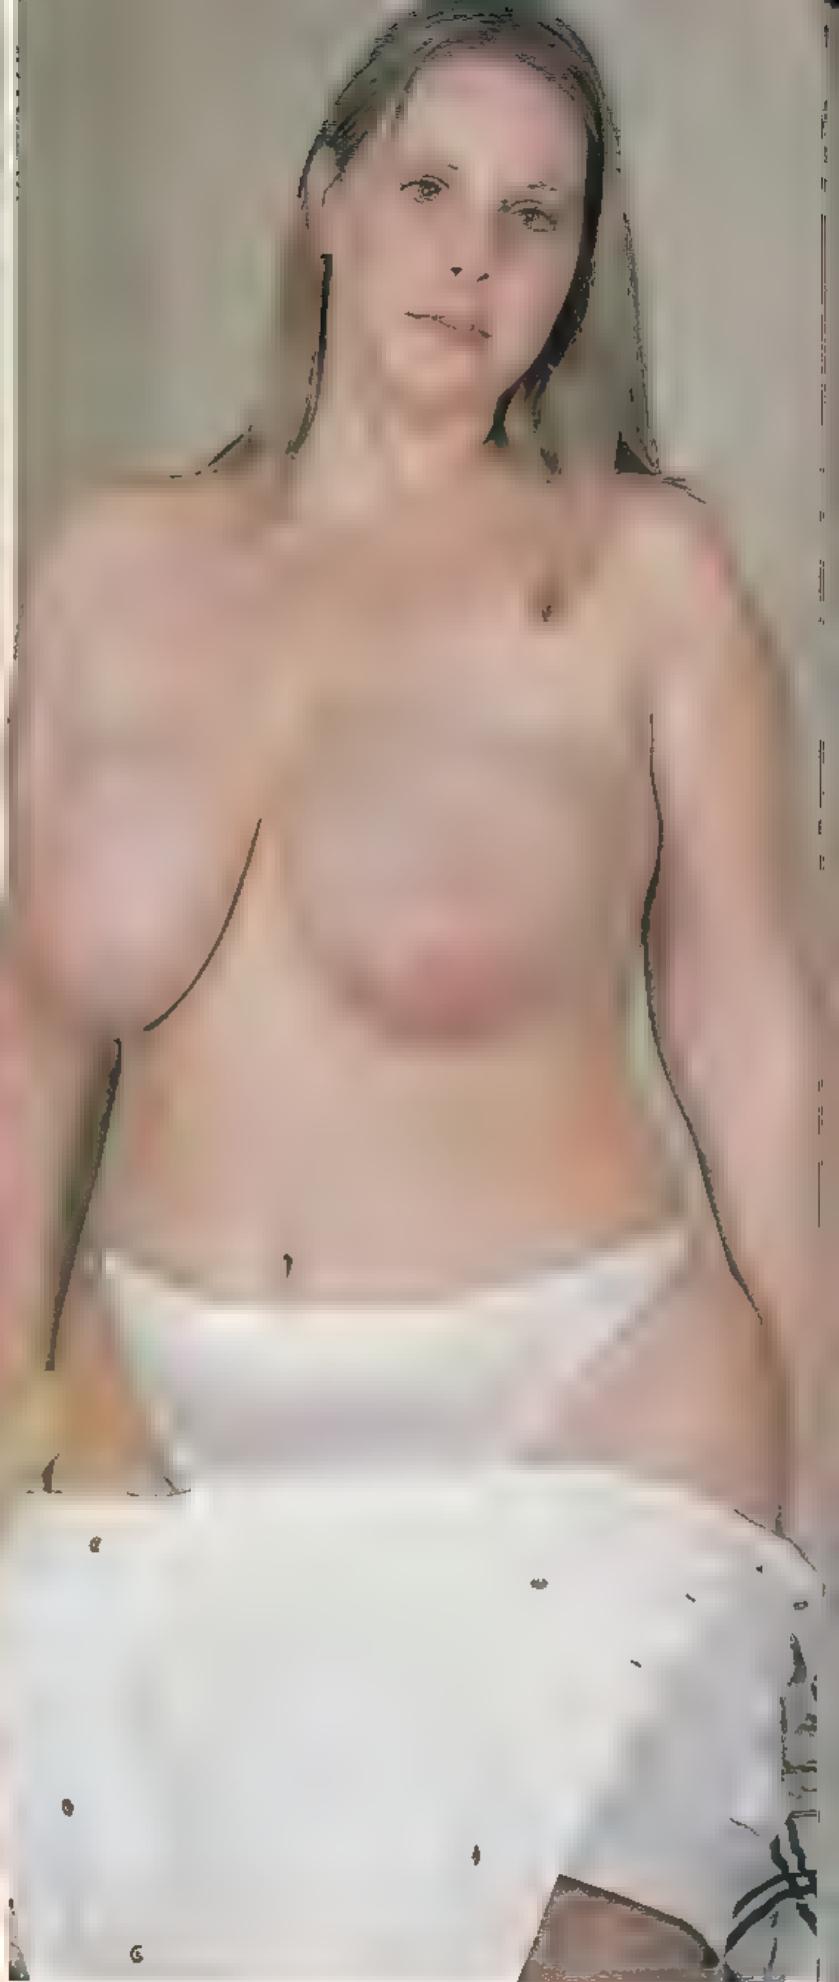

## BARE FACIS

Age: 29 Birthday: April 18, 1971 Height: 5'4" Weight: 137 lbs. Measurements: 44-28-38 Bra Size: 38E  
Born, Raised and Lives: Denver, Colorado Occupation: Housewife and part time sales clerk

**E**ven a job in a movie theater can be pretty ho hum after a while, especially when you work every shift that you can, like Chanta is doing. "I'm saving up to go to Europe for a year—really get to see it and enjoy it so I don't do much else other than work. I don't have any time for a boyfriend, but that doesn't mean I don't get horny. So, I plucked up my courage, went into a sex shop, and brought myself this toy. Now I'm self-sufficient!"

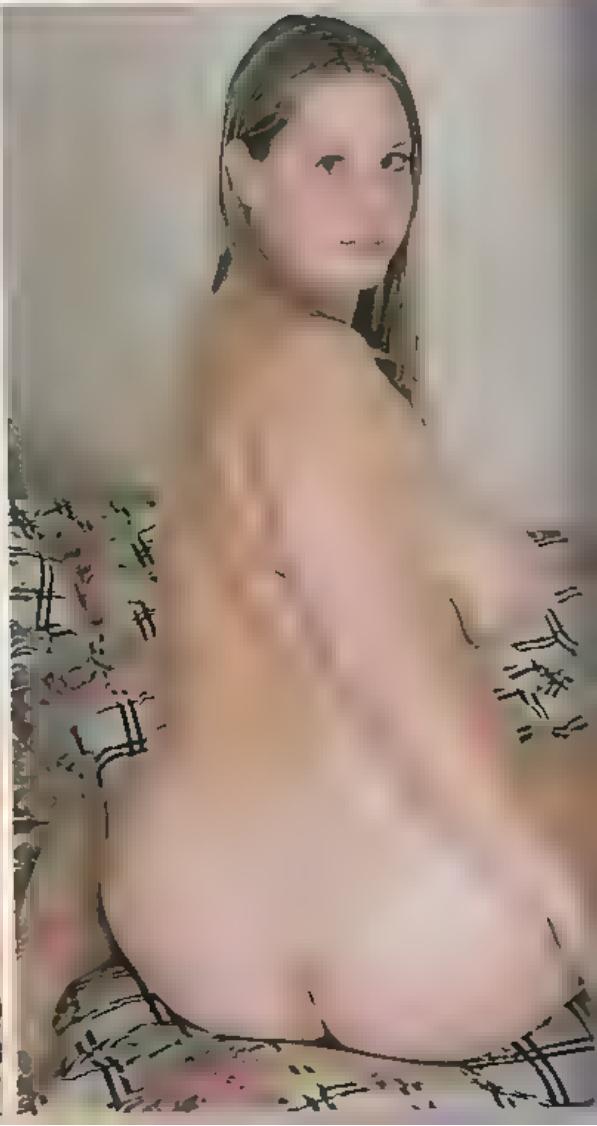

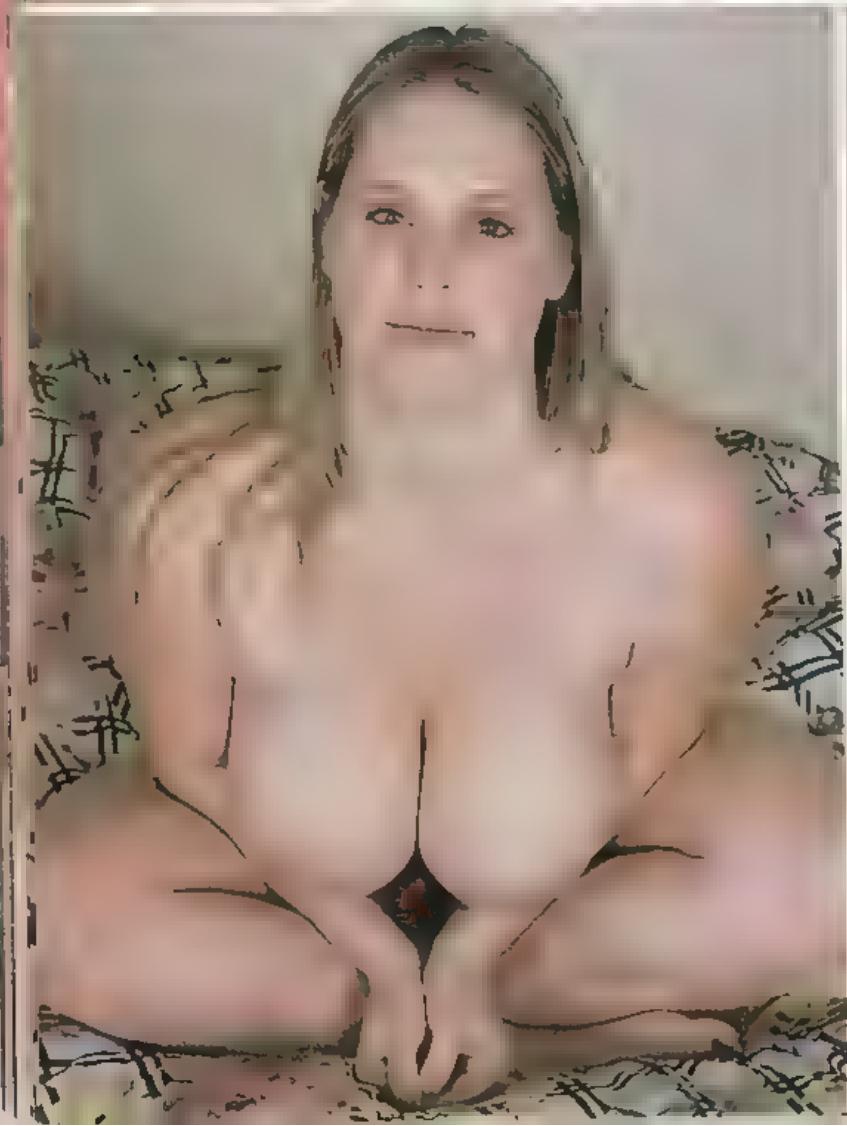

# CHANTA

**M**ost days I get myself off when I wake up and before I go to sleep. I work weird shifts, so that's often at really odd hours. I'd always heard that it was guys who wake up horny; well I do too. Many times it's so bad that I'd take on a football team if they walked in! So 10 minutes with my toy and a body-rocking climax and I'm ready for the day. I take longer before I go to sleep, and often go for a repeat the second time is always the best for me."

## BARE FACTS

# Leisha

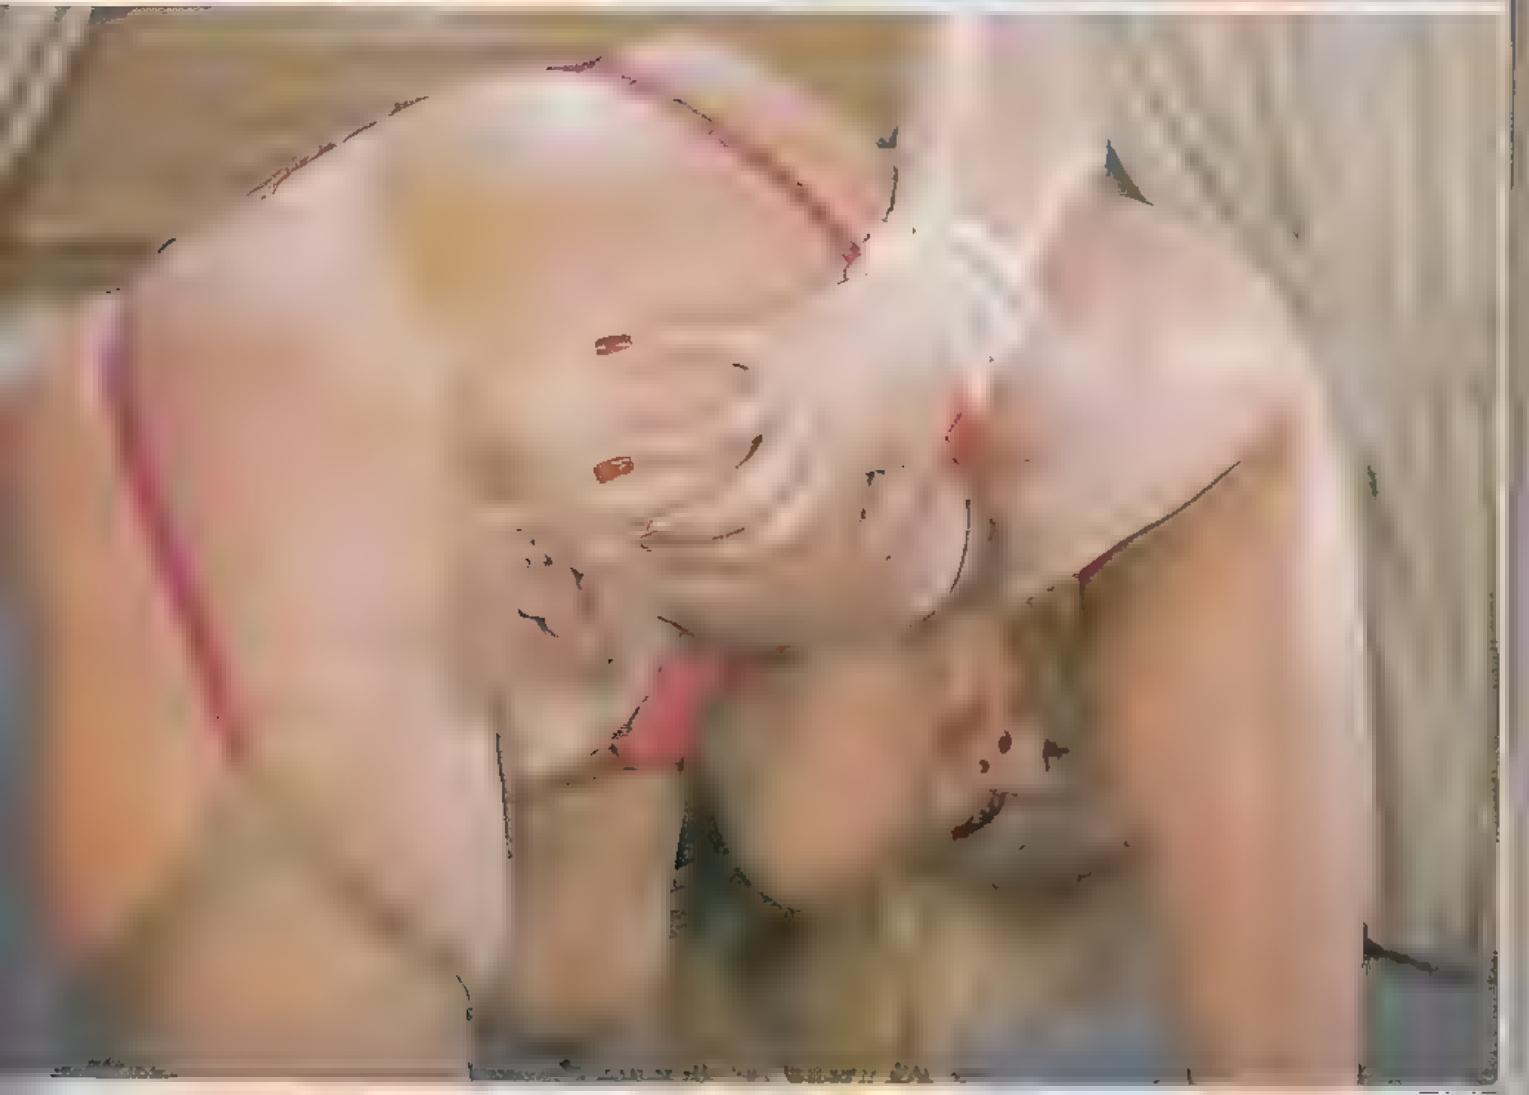

M

people don't get to fulfill any of their t  
tastes. I'm living one of mine by posing for tr  
photos. The thought of being in a magazine &  
having guys everywhere lust after me is fantast

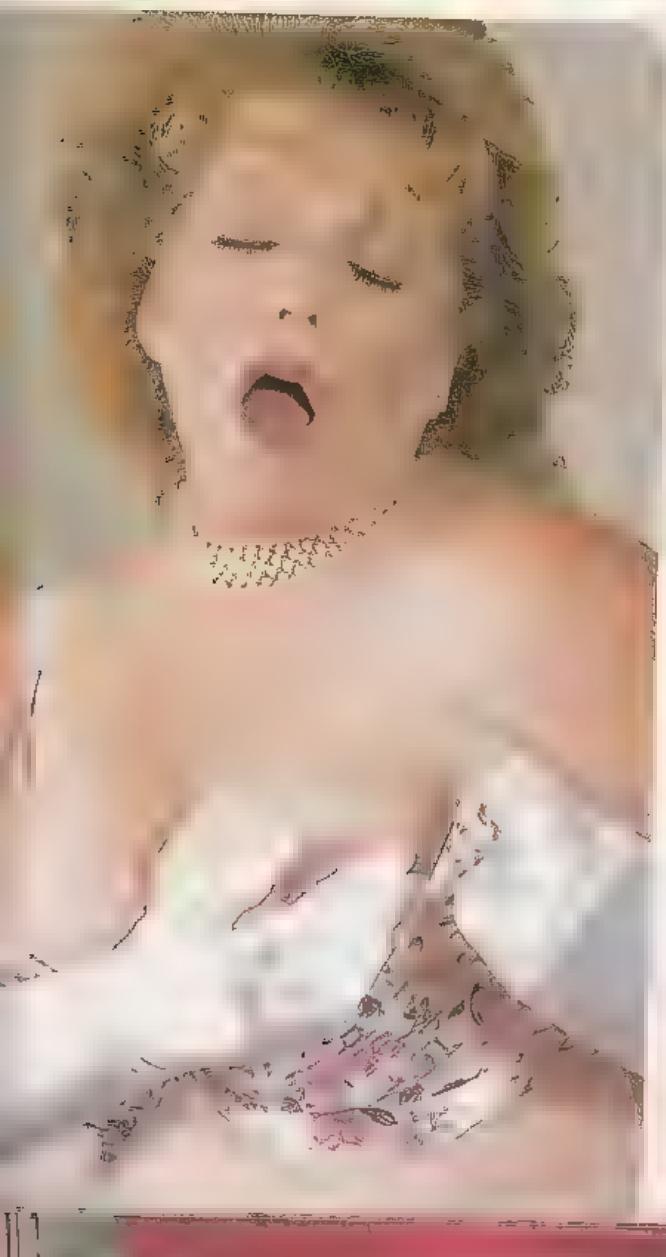

**B**eing a barmaid, I've heard every cheesy pick up line there is. For a while, I was kinda gullible and fell for some of them. More fool me! Having posed, I feel better about myself. Now it's going to take a sincere guy to impress me and get to handle my goodies."

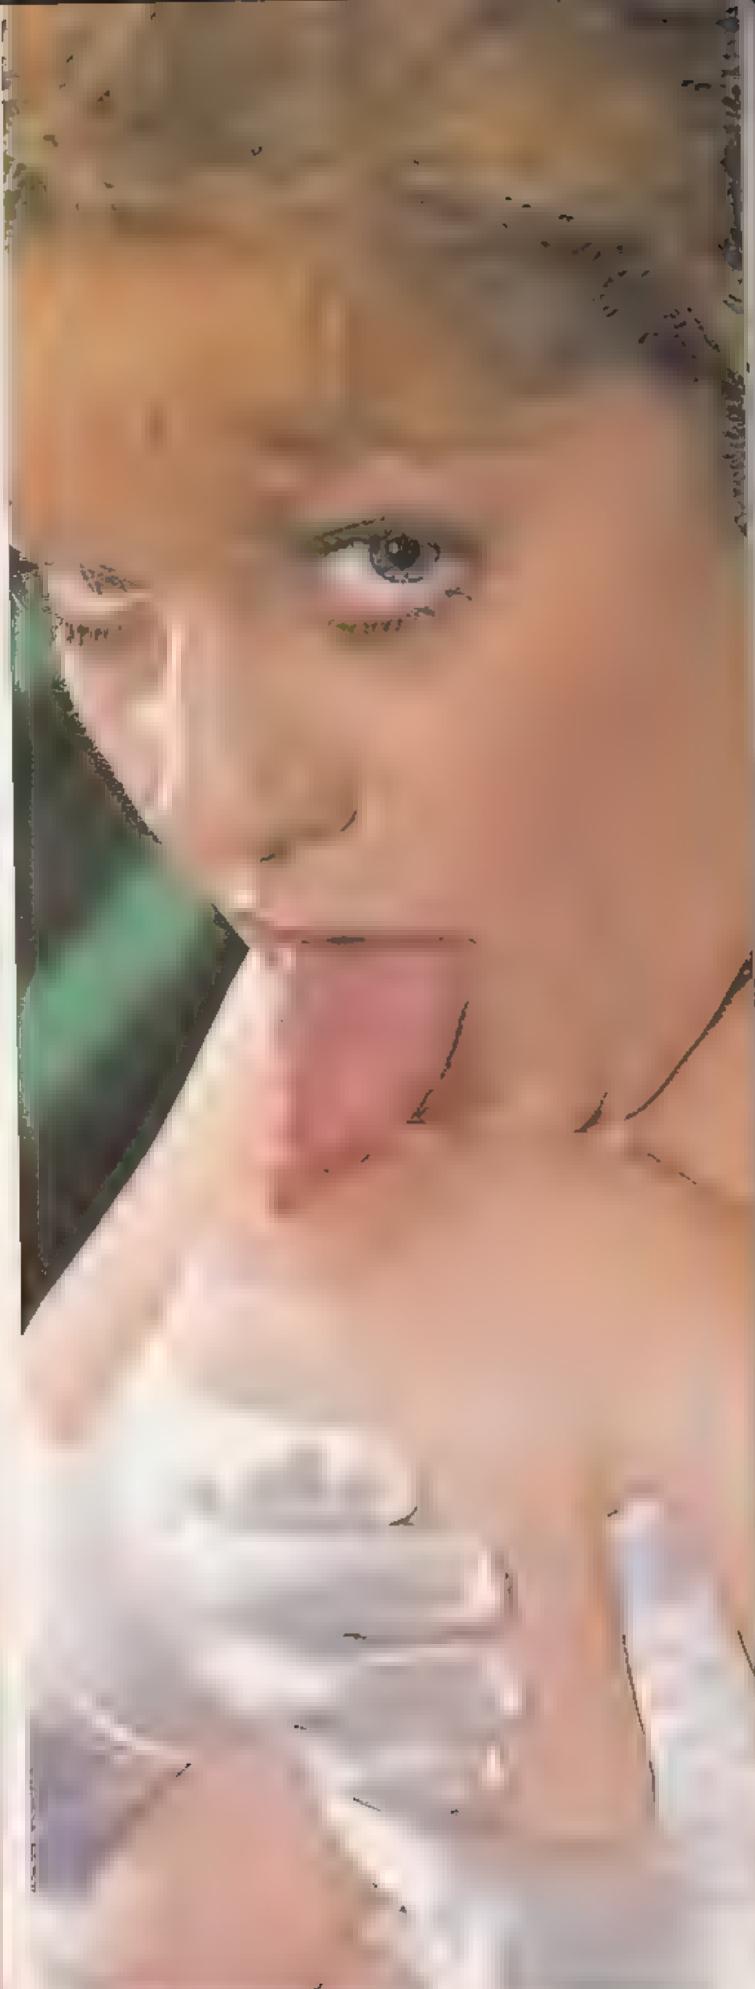

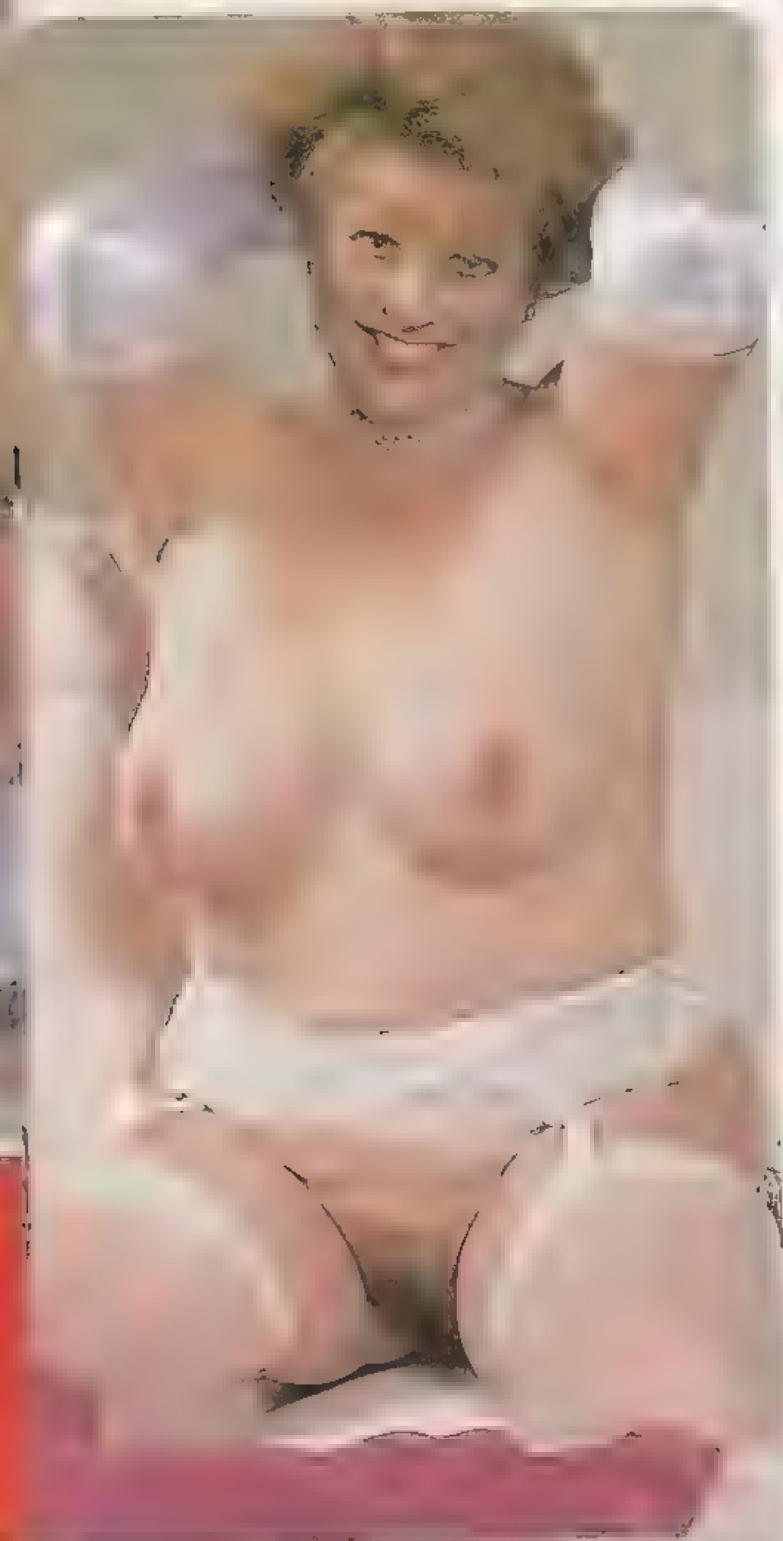

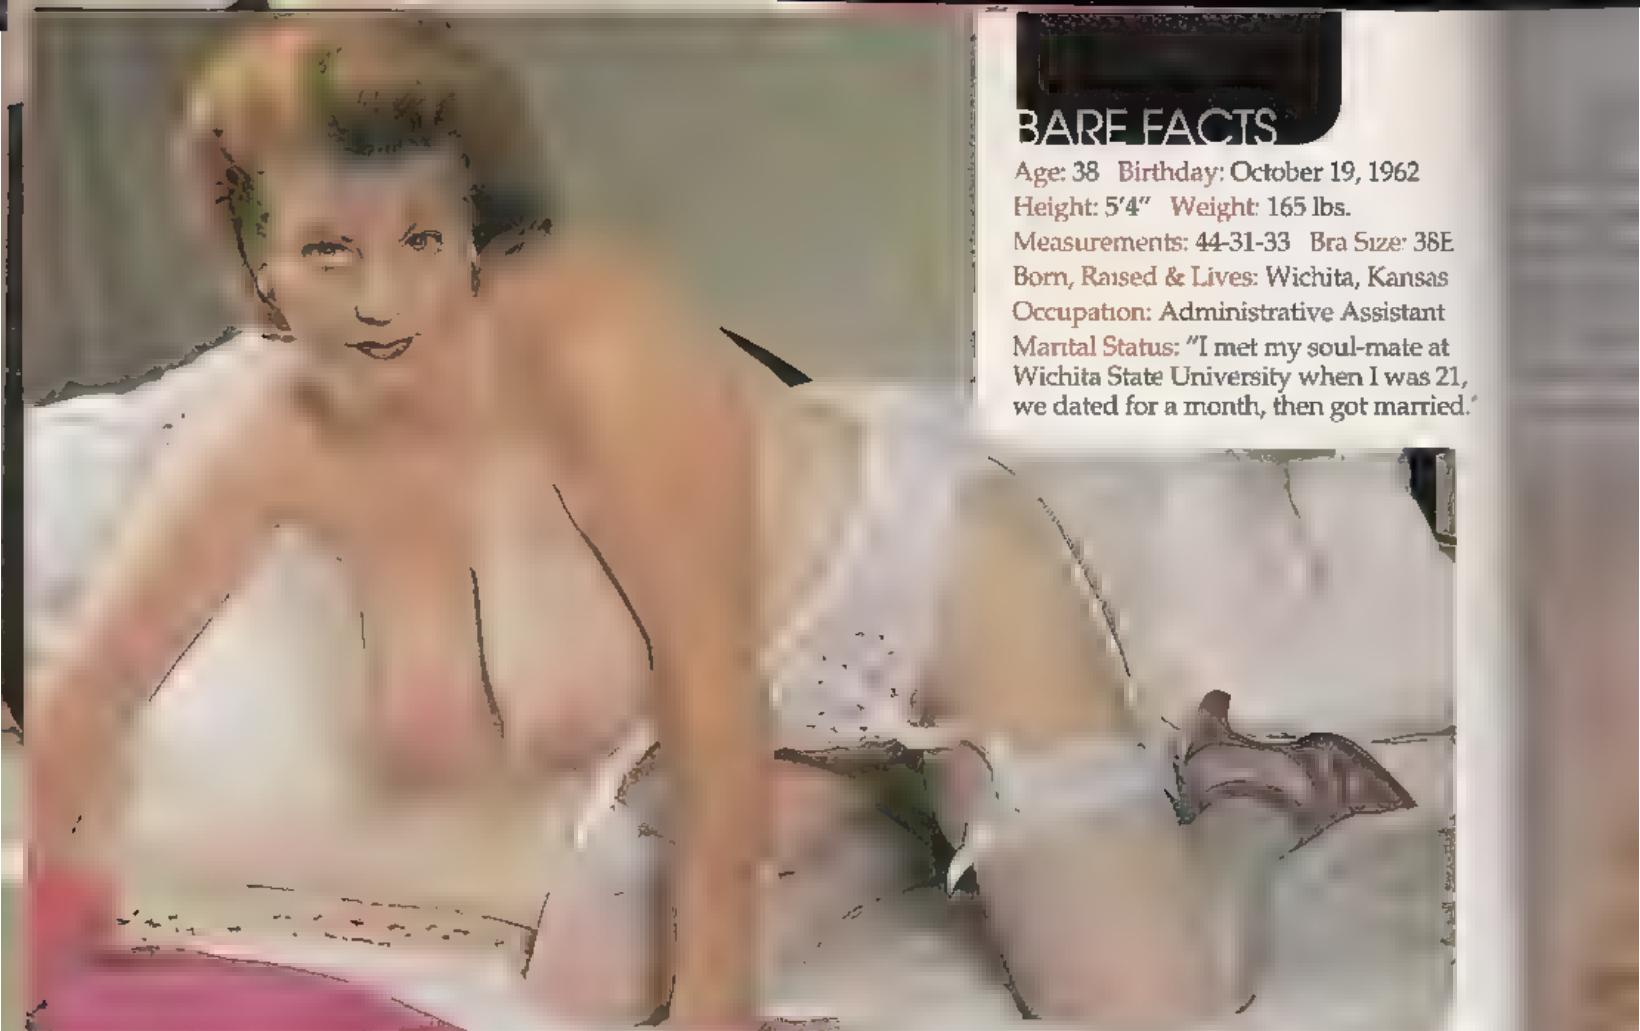

# HOUSEWIFE OF THE MONTH

## Katie—Wichita, Kansas

Talk about a classic housewife...Meet Katie. She's a 38-year-old executive assistant from Wichita, Kansas, who is happily married, has been since she was 21. But, lately, she's been getting this funky feeling. An impulse that we XL-men certainly appreciate...that 17-year itch!

— of that Katie is unhappy in her marriage. "No, I'll always be loyal to my husband. But, I got married so young, I just feel like I'm running out of time to do some of the things I used to do when I was 21. Travel Europe, drive a convertible, see if I'd be a model. It's not like I'm getting any younger." Well, Katie, come down, more to go! Live it up!

# Prince

Many XL readers have visited my site-ohioswing.com and even ordered some of my videos. I love wild, sex husband-and-wife swinging for over six years. We go to swing clubs and regularly host house parties. I enjoy everything: swinging with other couples, gangbangs and getting it on with other women. I've done a lot of videos, but very little photo shoots for magazines—it was fun

**M**y favorite way of having sex is any way where I'll cum. After all, isn't that the main reason for fucking? I like to get off three or four times a day, one way or another. I'll quite happily do myself and have a wonderful climax that leaves me happy and satisfied for a while, but I'd rather have a cock around, or another woman's tongue, lips and fingers."

The best sex takes all night, as far as I'm concerned. You undress each other and explore each other's bodies with your hands and lips. Then he goes down on me and gives me an orgasm. I'll return the favor, and let him cum in my mouth! We rest, then make love, rest again and make love again. And not just one position either, but every way we can think of."

# MARINA

Ever the mild-mannered and modest office worker by day, Marina reveals her true self after work and at weekends. "I'm cool about my looks and my body, and I like to show that confidence when I'm in public. So I dress to emphasize my boobs in particular. I have several outfits that don't need bras."

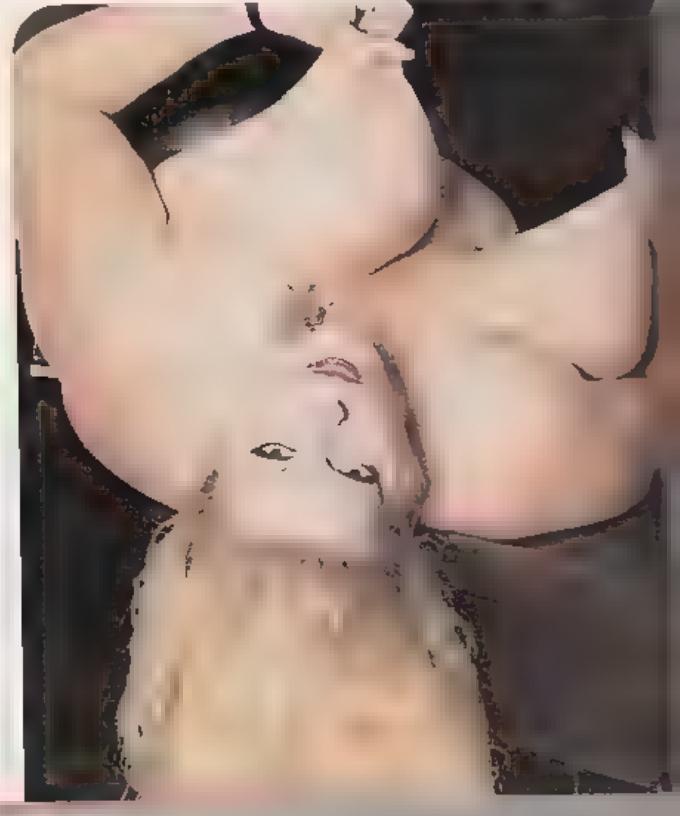

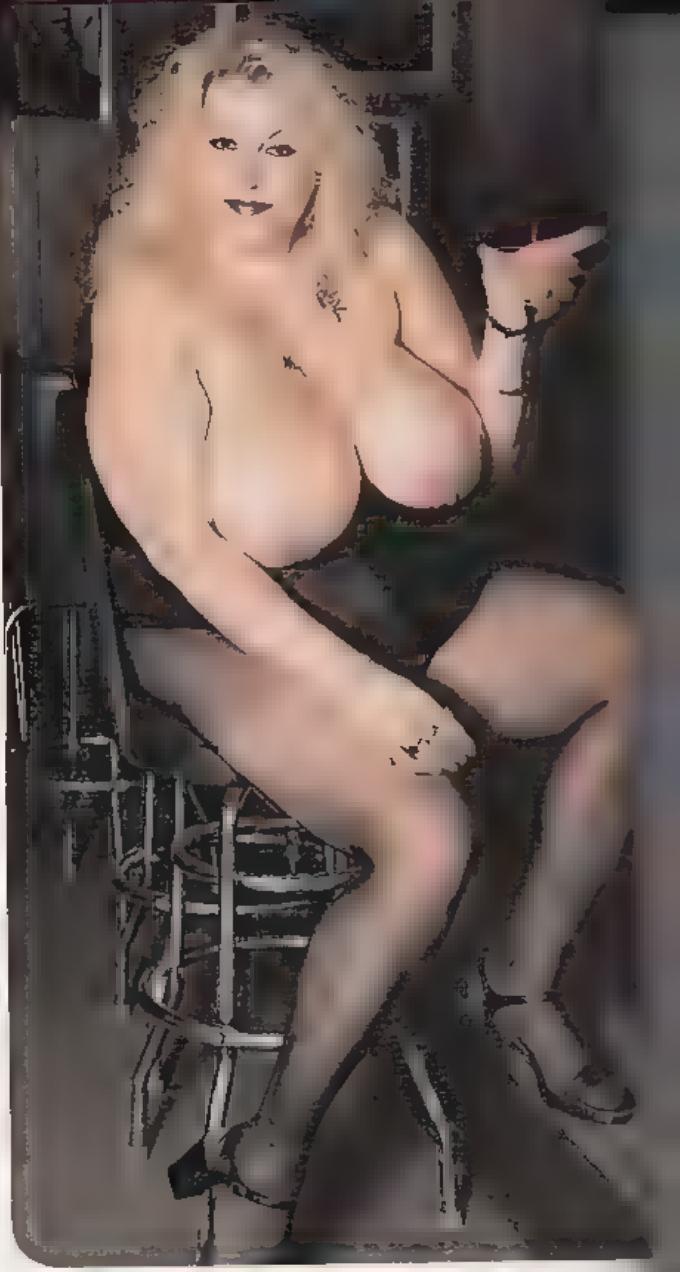

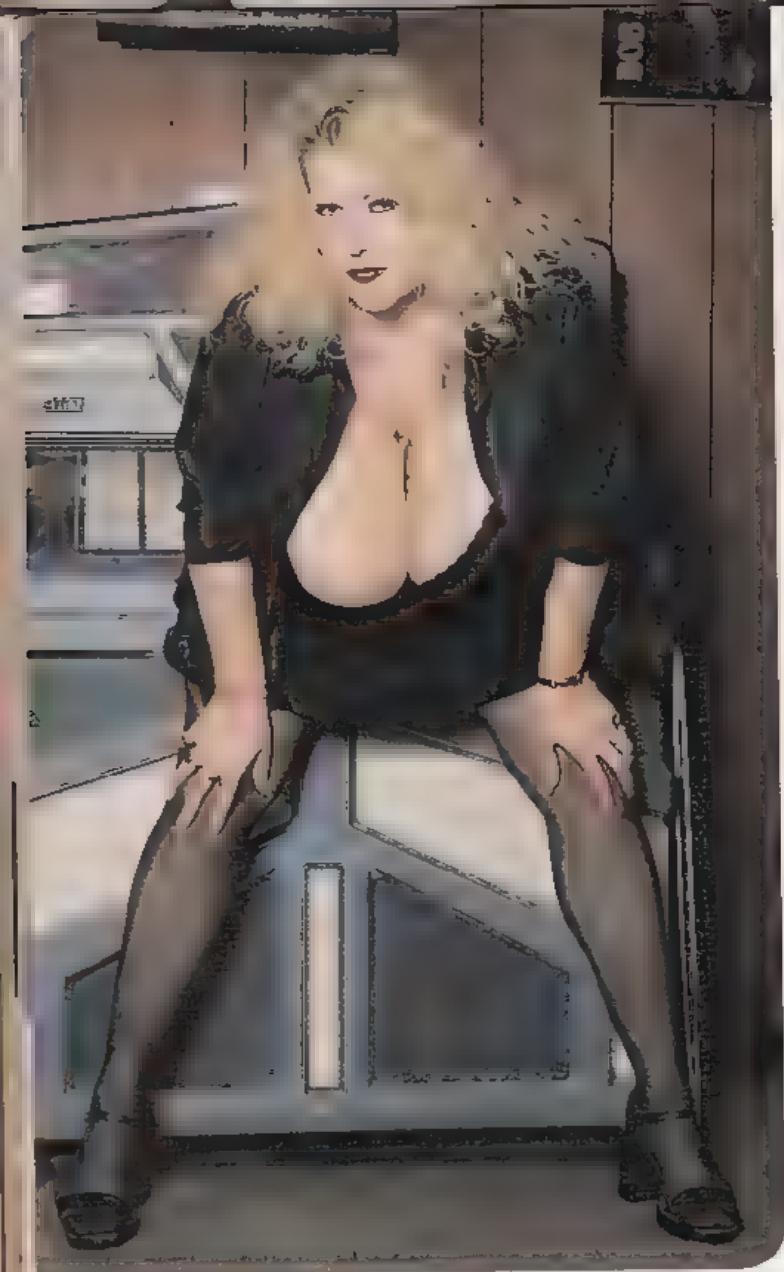

I love frilly, sexy lingerie and very feminine rooms. I'd love a bedroom like this set I posed in. It would be so romantic to be here, naked, with a guy, lying on the satin sheets with the netting over us. In surroundings like this, I'd expect him to make love to me like I was a princess, worshipping every part of my body and pleasuring it, before moving on. It would be a cum-fest for me!"

# ROCK ROSE

**One of our first *Voluptuous* models, back after seven years!**

Talk about a seven year itch! Rock Rose made her debut in the Summer '94 *Voluptuous* debut and was a hit with the readers as she certainly lived up to the "All Plump! All Stacked! All Natural!" credo. She posed some, then her career went in a different direction and we gave her up as lost. Now, seven years later, her return is certainly welcome as she is ideal for XL with the perfect bodacious body that we're always seeking. So, enjoy her again, guys, while you can!

Rock Rose was a housedancer in upstate New York back in 1994 and a former porn star, who was just getting back into the adult entertainment world after a two-year break. She started doing pornos young, starring as a choir girl with Ron Jeremy as a preacher ("He fucked the beejesus out of me!") in her first ever adult video, the 1986 sequel, *Deep Throat #2*. However, her career never quite hit the superstardom many had predicted, and she drifted through the '90s in relative obscurity, housedancing some in the northeast, posing very little and basically disappearing. Now, 32 years old and still the same vociferous Rock, she isn't sure if this is a comeback or a passing phase. "I just got that urge, you know what I mean? To see if I still had what it takes. I doubt I'll be a big-time porn star or dancer any more, but who knows? I'm a lot like *the Rock*—you can never count me out!" Atta girl, Rock. Welcome home!

# Deja- Boob

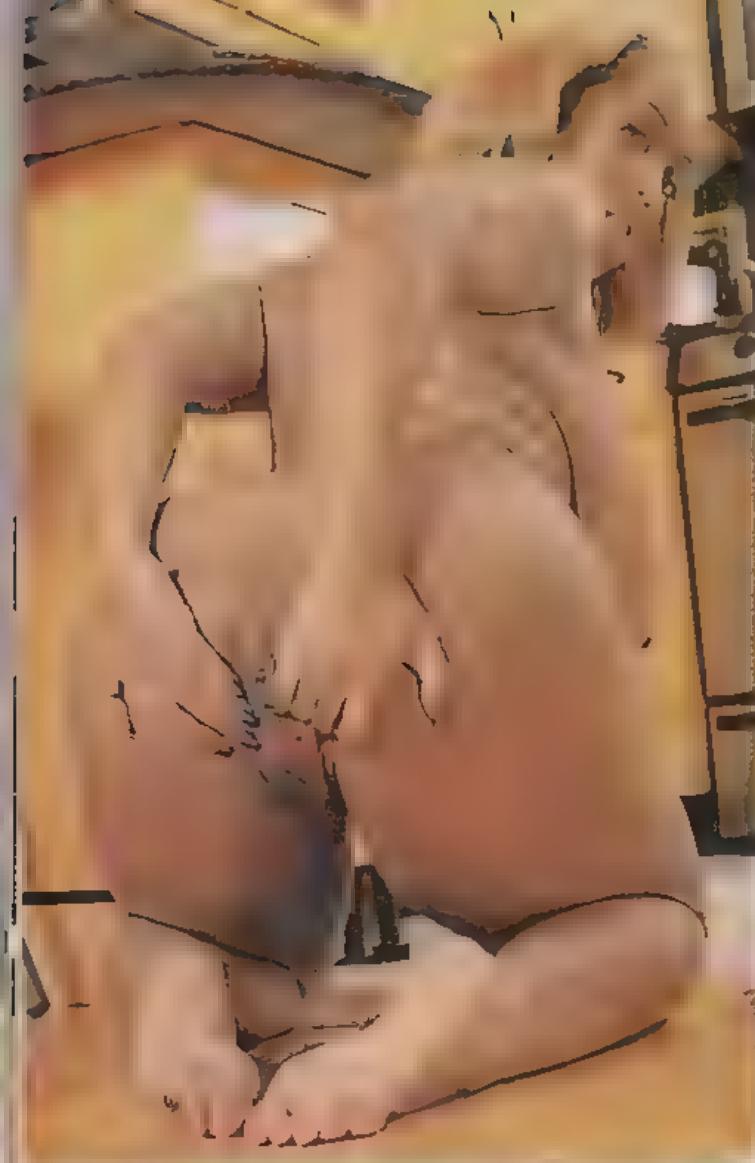

Busty, dusky and plump, it's Deja-boob...all over again!

Holy hooters, boob-men...these are some big 'uns! Familiar boobs, too. The name is Deja, she's an office worker from Washington, D.C. who debuted in the Feb. '99 *Voluptuous*, and it's been hell getting her back for an encore. From scheduling conflicts to a bad case of the flu...it got so bad we thought Deja would never pose again. Then, while in New York visiting her best friend, Deja bumped into a photographer while shopping. The lens-person was one of ours, Jana Krenova (who helped photograph Boob Cruise '98 and 2000), and she took one look at Deja's rack and told her she'd be great for this magazine she knew. Deja, in turn, told her, "Let me guess...*Voluptuous!*" A quick call to our editor, and Deja was posing in her friend's apartment. Who would have thunk it would be that simple to experience these whoppers once again. Your fans welcome you back Deja!

**C**he may look like a Southern California gal, but Catherine hails from Uppsala, Sweden, and came to America on a student visa. Her discovery is another one of those by-chance things. A local photographer saw her in a store, approached her and managed to convince her that he was a legitimate photographer, and not just a dirty old man. We owe him big time, XL fans!

# CATHERINE CLARK

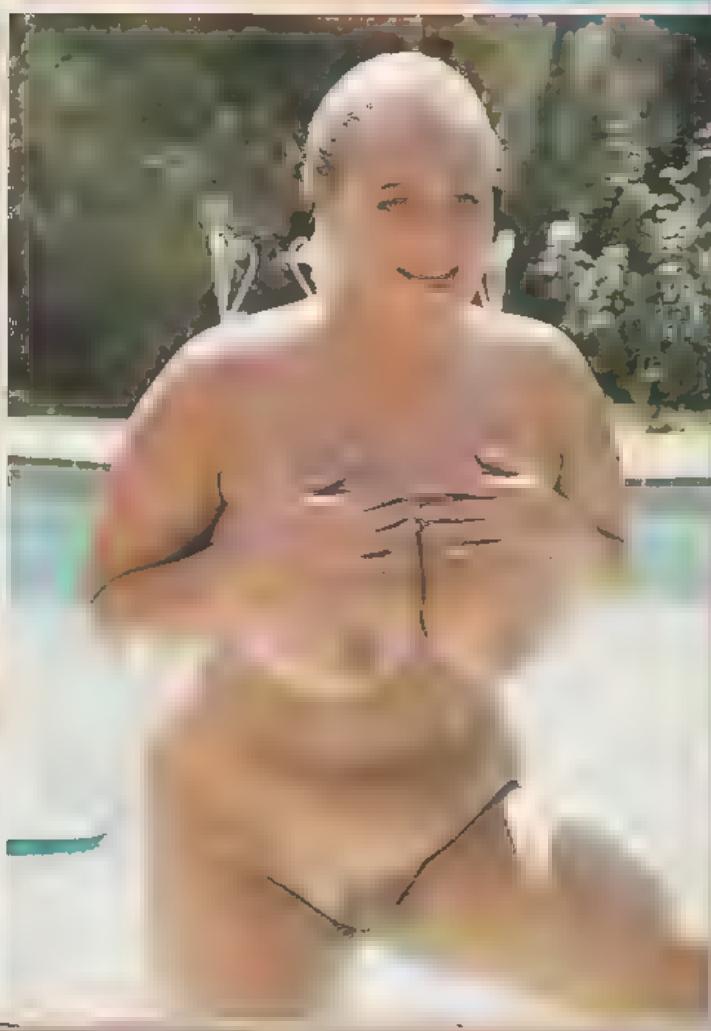

Catherine has been busty since she was a teenager. "My mother wears a 44D and my grandmother is even bigger," she says. "I think it's a wonderful family trait to inherit."

**T**here are many nude beaches in Sweden. I've been going to them for years. So being naked in front of people doesn't bother me. My American friends were shocked when I asked if there was a nude beach in San Diego. They said they'd never go there, even if there was one. And I thought anything goes in California."

**M**y size seems to put some guys off. I guess they think they couldn't handle me sexually. If they hesitate about it, they couldn't. I'm an active and demanding lover. but definitely worth it."

**A**s far as I'm concerned, variety is the spice of life when it comes to sex. With some guys, I'll let them set the pace. They can just do me missionary style. I'll enjoy it—and cum—but it won't be anything super. With other guys, I'll take control and ride 'em like a cowgirl in a rodeo and then get them to do me doggie style and I'll hoot and holler and wail like a banshee. I've sent guys home covered in scratches and bites and bruised all to hell...and swearing it was the best fucking they ever got! The other thing, too, is that I'm in my 30's now—my sexual prime. I do think about sex more and want it more than I used to. I'm not complaining, I'm happy being constantly horny!"
